SIC Dimpled Golf® Collection

Winner of Buyers Choice Award at PGA Show
Chosen as Golf Digest's Favorite Things

2022
Edition

SIC Dimpled Golf® Collection

SIC was first to market with the Dimpled Golf® collection, which was designed specifically for the golf industry. The dimpled finish mimics the exterior of a golf ball and has become a fan favorite for golf shops, touring pros, weekend hackers and everyone in between. The Dimpled Golf® collection is available in all product sizes.

Go Green Initiative

500 billion plastic bottles and 500 billion single-use cups end up in landfills each and every year! We are committed to helping golf courses and resorts become less dependent on single-use plastic bottles and styrofoam cups. Let our team collaborate with you to design a product that helps the environment, promotes your brand, and generates additional revenue.

Product Tech

(What Makes Us Cool)

Triple insulation guarantees to keep your beverage ice cold from the 1st tee to the 19th watering hole

All of our tumblers & bottles (excluding stemless wine) are designed to fit perfectly in your golf cart cup holder

All tumblers come equipped with a crystal clear shatter-proof lid with a splash-proof slider

The SIC sport lid comes standard on all SIC bottles. The SIC sport lid is 100% leak-proof with an integrated carabiner clip and easy open straw

No coasters needed with our triple insulated technology
